Virginia Democratic Primary Tuesday, June 8, 2021

Your vote is important because the Democratic candidates we select will face Republicans in the General Election on November 2 and the outcome will determine the future of Virginia. In addition to the statewide offices of Governor, Lieutenant Governor, and Attorney General, we will select the Democratic candidate for Member of the House of Delegates in the 99th District to challenge Republican Margaret Ransone.

Deciding who to vote for is challenging since there are so many candidates running for office. We know how important it is and what a difference it can make in who we elect. As an example of the importance of your vote, consider the current and previous US President!

To learn more about the primary candidates, the web site for each candidate is listed and can be accessed from your computer to obtain more information. When we vote, we win.

We Need Your Help!

Lancaster County Democratic Committee has nearly doubled the number of Democrats who voted locally in the Presidential Primary Election and Congressional Primary Election last year compared to previous years. Lancaster Democrats are fired up and our goal is to continue this enthusiasm through the 2021 Primary and General Elections.

But we need your help!

You can help change the course of history with your change, - - money that is. Following are our immediate needs to make this election a success:

- ◆ **Yard Signs and Large Signs.** Last year we placed 1,176 campaign signs throughout the Lancaster County that contributed to increased Democrat turnout. Cost of signs varied depending on size and quantity.
- ◆ **Printing and mailing Sample Ballots.** We have the names and addresses of the 1,800 people who voted for Democrats in the Lancaster 2020 Democratic primary election. For postage and printing at \$880, each one can be mailed sample ballot/voters guide.
- ◆ **Printing Sample Ballots.** For \$168, we can print 1,000 sample ballots/voter guides suitable for handing out at churches and polls.

Every bit makes a difference. Contribute now online at:
